Rules & Regulations

- Throwing candy and beads from moving units can be dangerous to parade spectators, especially those who might not be paying close attention. Please make sure these items are lightly tossed away from moving vehicles or have costumed, adult walkers hand them out to the crowd.
- Due to the narrow path for participants, there are to be no walkers "beside" any vehicle.
- Please try to incorporate the parade theme A Celebration of Generations into your parade entry. We plan to categorize the parade into decades. Please be sure to indicate your decade on the application.
- Performing units should plan to stage their show for a maximum of 30 seconds at the judges' viewing stand only. The viewing stand is located in front of the Eiland Band Stand.
- "Regulated" float specifications are:
    - Maximum Height – 12 feet
    - Maximum Width – 10 feet
    - Maximum Length – 50 feet
- To ensure the safety of all parade participants and spectators, it is recommended that any trailers and tow vehicles have wheel covers.
- All parade vehicles/floats must be able to make a 90° degree turn.
- All units waive the rights of reproduction for advertisement and other promotions—this includes photos that might be taken of your parade entry.
- Owners must provide waste removers a/k/a "pooper scoopers" during the line-up and throughout the parade for any parade entries which include animals. NO exceptions!
- Trophies will be awarded--for the first place winner only--shortly after the parade at the Eiland Bandstand at the corner of 5th Avenue and 8th Street for the following categories:
